

SINGLE-LEVER SINK MIXER

TKEA-HY3387

STANDARD FEATURES

Deck mount swivel gooseneck spout

- ✓ Single-lever mixer, deck-mounted (Ø33–35 mm): quick one-hole install with intuitive hot/cold mixing for hand-wash and prep sinks.
- ✓ Swivel gooseneck spout: 180 mm reach and ~238 mm outlet height provide clearance for bowls and easy sink access.
- ✓ Durable, low-maintenance build: chrome-plated brass body with ceramic cartridge for smooth operation and long service life.
- ✓ Controlled flow and hygiene: integrated aerator for a steady, splash-reduced stream; smooth surfaces clean quickly to support HACCP routines.
